ANNOUNCEMENT

It is with the most sincere regret that we part with this herd of Shorthorns. For thirty-five years we have been breeding Shorthorns on our farm, and we still think they are the best cattle that have ever been put on an Iowa or a corn belt farm. However, we have decided to close them out, and what is our loss will be your gain.

When we decided to go into the Shorthorn business we first bought from the herd of C. C. Norton, Corning, Ia., at that time regarded as one of the greatest Shorthorn herds in this country. We still hold that Charlie Norton in early years had the best female herd in America, and that has never been disputed. We drew very liberally from his herd in females, and in later years used several bulls of his very best breeding. We also selected foundation material from the Bellows Bros. herd, the Prather herd, the Forbes herd and many others that were prominent in that day.

From this foundation we developed one of the best herds in southern Iowa, and many of our best cattle went into the best herds in Iowa and other states. In later years we have used the best bulls we could buy and these have been bred by the prominent breeders of the present day.

We were just as careful in the selection of herd bulls as we were in securing the best sort of foundation matrons. Our earlier herd bulls were Barmpton Prince, a son of the noted C. C. Norton sire, Bankers Victor, Royal Lavender bred by Will A. Dryden and sired by the famous Archers Hope and Scotch Commador, bred at Hopley's Stock Farm and sired by the great Sittyton Archer. These three bulls gave the herd a good start with proper type and quality.

Then came the thick fleshed Edgcote Toft by Edgcote Clipper Toft by Edgcote Toft (Imp). Then Edgcote Prince by Edgcote Toft and out of the grand Carnation cow by Scotch Commador. They improved the fleshing qualities of our cattle and these qualities have been retained by the use of our subsequent sires, Ballylin Goldspur and Browndale Champion, both red that breed red, both carrying strong infusions of Browndale blood and both improvers of type and quality, while siring good headed thick fleshed cattle.

Ballylin Goldspur was an outstanding red son of the International Grand Champion, Browndale Goldspur, and his dam was by the justly famous Ballylin Rodney. He was right at the top in the strongest shows when a calf and a yearling. At the Iowa State Fair there was only one bull between him and the twice International Grand Champion Divide Sensation. There are five bulls, eight open heifers, six bred heifers and several cows in this sale by this bull. They are all dark reds or roans and all uniform in type with the best of heads.

Browndale Champion 1804936, our present herd bull, is by Browndale Rosster by the famous Shallenberger Sire, Browndale Premier, winner of innumerable championships. His dam is an Augusta by Edgcote Clipper Toft. He is a

great beef type bull, has good lines and a wonderful head. His dam was champion at the Ak-Sar-Ben in 1930. Twenty-five of the cows in this catalogue have calves at foot that are by this sire. You will like his calves and you will like him better for having sired them. In no sale this fall will there be a better bred or more useful lot of cows and heifers. Twenty-five cows and heifers will sell with calves at foot, and others will be right at their calving. If you are looking for foundation cows we certainly have them for you in our sale. It is only in sales of this kind where you are able to buy the very best there is in a herd and that is what you are going to do in this sale.

REESE & McGREGOR,
Prescott, Iowa.

Will Johnson, of the Shorthorn World and M. T. White, of the
Wallace Farmer, Fieldmen

Col. A. W. Thompson, Auctioneer
